€1 MILLION FUND

8 May – 12 June

AIB Community €1 Million Fund 2024

- The AIB Community €1 Million Fund has supported 150, since its launch in 2022, across six regions in Ireland, NI and the UK. The Fund enables customers, the public and our employees to support the **local charities that mean most to them**, within their region.
- In 2023, **over 16,000 nominations** were made externally from customers and the public, and internally from employees. Charities are nominated in six regions: Connacht; Munster; Ulster (ROI); Leinster; Greater Dublin; and United Kingdom & Northern Ireland. The amounts awarded in the **public-nominated fund** range from €4000 to €28,000.
- For the **employee-nominated charities** they submitted a short, one-page pitch by email. The Reviewers scored these pitches and select the top four to receive €6,500 and the two runners-up will receive €3,500.
- The top 12 charities in each region make a short presentation to a panel of Reviewers up of AIB employees and an external judge. We received very positive feedback from the charities and judges alike about how easy the process is.
- 2024 Charities will be announced in Autumn 2024. Charities will be nominated by their communities by filling out the nomination form on aib.ie/community. Nominations in 2024 will open in early-May.
- The AIB Community €1 Million Fund will be promoted throughout the Summer months and will build awareness of how AIB continues to support local organisations and enable our branch network an opportunity to build profile.
- The final top twelve charities in each region with the fund feature across local press, advertising and marketing, AIB website, social channels and internal communications platform channels. Charities are supported with template press releases and in some cases photography to promote their success.
